EDITORIAL

by Karen de Wit

Welcome to another wonderful year of agility! Already the year is not young as regards events, with one having been held every weekend since Tokoroa on week 2. We have had a range of events and a range of weather, but it has all been fun to have the chance once again of running the dogs and gee, have they enjoyed it too!!

NALA and Agility Link continues for another year, with a few changes available to you. The first is the opportunity to save some money and buy a digital issue instead of a paper booklet. See the membership form in this issue for more details.

If there is anything that you would like to see published in this magazine please ask and we will see what we can do for you! In the meantime, hope you enjoy the courses and may the results go with you!!

What is a pet?

Interesting discussion recently on the NALA list with regard to agility dogs being kept as pets. So what is a pet? Definitions of **pet** on the Web:

- a domesticated animal kept for companionship or amusement
- darling: a special loved one
- stroke or caress
- favoured: preferred above all others and treated with partiality; "the favoured child"

Hmm, not much here about the pet behaving itself!! For most of us the pet dog is the one that we also do agility with, so we require quite a bit extra from the dog than a person who keeps a dog purely as a pet. We want it to do a lot more "tricks" when we ask, to wait, till asked to move, to come (quickly) to turn when we ask, to go where we indicate, to run fast when we ask and then to curl up on our lap for a cuddle too! Ah what a life, much prefer doing agility than just being a pet!

Top Ärf Report—by Kim Orlando-Reep.

Tokoroa Jan 8th 9th

After the novelty of Christmas has worn off (usually around tea time on Christmas day) most of the agility community in N Island starts looking forward to Tokoroa Champ. event on the second weekend of January – and as usual it easily lived up to expectations. There’s always an atmosphere of relief that the enforced break is finally over and we can get back to the real purpose of life..

I was looking forward to a weekend away from the unending chores of puppy rearing, not to mention the slog of all those parties <G> and to seeing people I hadn’t seen for a whole 5 weeks.

Tokoroa seems to have a kind of desert climate with scorching hot days and freezing cold nights, so I wasn’t surprised to wake up to a temperature of 11 degrees, but there was no underfoot sheet ice this year though it was a trifle chilly when walking the first courses at some ungodly early hour. Despite being a small club, Tokoroa’s shows are always well run and it’s good to see everyone pitching in to help with good humour and although a few regulars were missing, there were some who had made the trip from the nether regions - like the De Wits - and even a judge – Dave Cook – from Dunedin – and you don’t get much netherer than that!

You can always tell the S I judges as they’re very smartly dressed and even own ties (well, the male variety anyway). However, I doubt they have too many lovely cross-dressing ones like our own amazing President Bush – but more about that later!

Elaine Rohde with Bolt and Vicki Wilson and Blitzen both collected wins and placings in Starters and Novice and Gemma Pouls had 2 wins with her little papillon in the Mini/micro class. It was good to see Bruce Ireland back competing and winning Novice with his new dog Blue Spark. I was pleased to pick up a couple of ribbons with Scud, my Ohutu dog, despite his mind being mostly occupied in finding a meaningful 10 minute relationship with another dog, sex immaterial.

The highlight of the show is always the evening performance, when the aforementioned President Bush dusts off his transvestite gear and shows his true inner woman while judging the novelty competition. The theme was water based which gave plenty of scope to the large number of entries who displayed true kiwi ingenuity with a variety of interesting costumes. The most intriguing being the ladies from the Mount who stole the best dressed prize with their simple but effective

jellyfish costumes. The fact that competitors were blasted by water from a couple of hoses presented a few problems for those with water obsessed dogs who thought it much more fun to play with the water than to run with their handlers.

Unfortunately, I missed the start of the competition, as I was visiting the vet with my gluttonous whippet Isis, who ill advisedly consumed an absorption bag from a chook on Thursday night and suffered the consequences for most of Friday night, causing me to summon the after hours vet – not my idea of all night entertainment – standing in the middle of a paddock at 4.30am waving a torch to direct the vet to my camper – her 4WD sounded to me like a 747 landing, but luckily it didn't appear to disturb any of the sleeping dogs.....I must thank everyone who was so concerned about the little whippet, especially Bevan and Joanne Dale, who suffered being woken up in the middle of the night with good humour and lent me their Ute to take her into the vet the next day – luckily it not only survived being driven by me but also spent a whole hour parked in the main street without being stripped of it's wheels or any other removable bits.

Norwest Jan 15th 16th

The forecast for this weekend was not good and the bad weather that hit on Sunday closed the North West motorway, but despite the miserable conditions the small Norwest team running the show just kept going with some outside help. Abi had gone to a great deal of trouble to organise a fund raiser for Jack Tansey on Saturday evening and it was a shame that the elements conspired to make it rather a literal washout. However, a few hardy people stayed to compete - the competitions were appealing and it would have been fun had the weather co-operated. I always enjoy Steve Chester's courses as he likes to think outside the square and provide a few challenges – his Intermediate being no exception. After a long lead out with a tunnel under an A frame there was an interesting jump sequence with a pull through, which completely defeated some of the dogs and handlers – and some of those who completed it then stuffed up later on, so there were few clear rounds. I was so fascinated watching and trying to work out the best way to try that I almost missed my runs in the other ring.

Elaine Rohde continued her winning run with Bolt and Ross Prior won his first challenge with Kathryn Martin and Amanda McKennie taking out the other 2 seniors. Amanda Benson built a fast Jumpers C with a deceptive section at the end which caught out a few dogs and handlers. Alan McClumph and Joanne Dale both had fast runs to win this class.

ACAC & Counties Ribbon trials

When I turned up on Friday night at Te Hihi, there were a few cheerful but bedraggled ACAC members putting up rings in the rain, which continued steadily until 5.30am, by which time it had caused enough flooding to stop the Kennys

and Rebecca Roper from getting through from the North. Other people were probably put off by the rain too as there was a smaller turnout than usual for a ribbon trial in January.

I always enjoy Brett Palmer's courses – he's another judge who often comes up with something bit different. There were a few people puffing after his Senior which was won in just under 54 seconds by Alan Shrimpton with Miley. Kathryn Spicer's C jumpers was a little tricky too, but it's good to have a variety. The agility finished quite early and was followed by a flygility tournament, with the competitions being reversed the following day with Counties Double Jumpers starting at noon. Again there was a relaxed feel to the day with some of the Fly-ball overlapping the Jumpers and the whole event finishing in good time. Roger Van Heunen came strolling along half way through the morning (in his best painting shorts), entered both jumpers B and won them both! Can't remember when I last saw him compete at a show.

Central North report—by Mel Mankelow

November was a busy month for us with our trip to the UK won't really go into detail apart from Cold, Miserable and not doing that again in a hurry. We also had a big Birthday in our house Callum turned a year and we had a party before we left and a party away so we celebrated lots he is now up and about causing all sorts of fun. We missed EBOP which is a shame the closest show to us but our great babysitter Amanda took a few of the dogs there and did some really great stuff even coming back with a ribbon. There looks like there were some great results Una and Joker getting a win and second in Jumpers B also Natasha and Sage getting a win in C Jumpers. Raewyn & Abbie getting a win in Elementry B and Trish with a 2nd in Intermediate. Sounds like this was another great show we will be there next year for sure.

Our first show back really looking forward to it and a great show as well, Tokoroa always a good laugh with the novelty event we decided to go as Bay watch babes there were some fantastic costumes. Also Gifts first champ show she did some really nice stuff just need to do some more work on the weaves but I'm sure she will get there in time. There were some great results from lots of people, Chelsea did her normal great results it's amazing, also Kristina & Jazzy some more great results, Jason and Jack winning there last B Jumpers to put him into A, also great to see the De Wits make the trip and pick up some good results. David Cook came up to Judge and set some good courses. The novelty event was Judged as normal by Martin Bush, and yes he wore his blonde wig... we are starting to worry about how much he seems to enjoy being a woman, there were some great costumes the Tauranga jelly fish were amazing. The event ran well lots of water some of the dogs were more interested in chasing the hose pipe than actually running the course, it finished with lots of prizes for most of the competitors Tokoroa members run a great show for a little club they work so very hard and I think everyone always enjoys the weekend.

We didn't make the Wanganui show this year to many things to do on the house but there were some good results from Una winning Kwila into Intermediate, Sue & Cookie picking up a win in Starters Trish Bush also doing well and picking up some good placings. The main events at this show were Pete making Quick up to Jumpers Champion and also Fiona making Sharky up to Agility Champion Jason was very upset that he wasn't there to help with the wettings.

Three of Tokoroa's water theme entrants

Norwest another show we missed although not to sad about it after the weather that weekend, sounded like it was terrible to be camping water everywhere wet dogs and wet clothes not my idea of fun. Una picking up some more wins, Deb Jackson picked up a few challenges also Amanda and Zip and Kat & Volt both getting challenges more champs on the way there I think.. Well done everyone for doing so well in the weather conditions and a very lucky escape by the Bushes as a big tree branch came down while prize giving was on just missing there ute,

CONGRATULATIONS!

very lucky.

The last weekend of the month and we decided to make the trip down to DAWG it's really great to catch up with everyone down South, was also great to catch up with Lisa & Phil who came along to give us some competition, the weather was good and the show ran well, they ran a YKC which ran well they had lots of kids enter and nice to see the boys up there in the placings. Pete & Quick had some amazing runs they were on fire also Fiona & Kindie had some great runs they are becoming a great team. Daryl & Eye C had some good runs also Debbie & Vinnie and the CHB girls all in the placings. The highlight of the weekend was Deb Jackson making Cheeky up to Grand Champion what a team they have become after the struggles they started with well done Deb all your hard work really paid off and yes Jason & Phil gave her a real soaking and flouring with the help of two little girls wonder who trained them so well !!!!!

Liz Barlow's Dixie collected quite a few clear rounds and a win at Kapitis end of year ribbon event.

Lower North Report-by Sandra Mohekey

I'll preface this by apologising to Rebecca for saying she made grand champion – the grand is yet to come! From my lap-top to God's ear Rebecca! This won't be my first mistake – I can't always identify who is in my zone and how to spell the pet names but I'll keep trying. I suspect Karen and I may be the only ones who read my report – and I'm not sure about Karen!

The end of the 2010 and the start of 2011 were packed with agility shows in Zone 3. The smaller shows, with fewer runs on offer, were definitely less well attended than in previous years. So much so, that some of the clubs are re-considering their dates to try and ensure the calendar in the lower North Island is not as full in future Januarys.

December 4th and 5th

Feilding's Champ Show at the end of 2010 experienced warmer weather than in past years and, after our long dry spell, the grass was very slippery. The conditions and the end of year atmosphere produced some entertaining moments for competitors and spectators alike. On Saturday John and Rico liked the first Intermediate course so much they ran it three times – luckily the timer worked the third time and neither of them had the heart attack John was predicting for him-

Karen de Wit's Dee in Kapiti's Jumpers event

A happy Bronwen Burnette

self. In Intermediate 2 I tried the Sidwell slide and discovered, yes, you can slide to your knees and still direct your dog to the right piece of equipment. Liz's elimination in senior earned her the clown award. Her dog turned 180 degrees and passed the judge to get the wrong jump. A senior competitor was trying out some new commands – which she may want to pass on to Susan Garret. In senior 2 when she yelled “Touch the bloody thing!” her dog got the contact! However, I doubt this will always work, and it's quite a lot to say, so I'll stick to “Touch it.”

The end of day tunnellers competition was fun to watch (and judge) although it took a long time to run! In the beginners section dogs either really got a buzz from all the tunnels or were over tunnels by the third one. One consequence of the drought was the length of time it took to move the tunnels; those pegs would not come out the ground! The club needs a few claw headed hammers for times like this.

The drunks who wandered through the grounds at 9pm found the tunnel course fascinating but I heard Penny was out there valiantly telling them not to crawl

through – they weren't even following the numbers! Marilyn, however, was encouraging them by riding one of the interloper's bikes. Maybe she's found a new sport. The tunnellers raised \$640 for Jack Tansey so it was a success on all levels! On Sunday Lou with the mighty micro Tess was going clear in senior until the last dog walk contact; finishing Tess's champ show career with only (!) 245 CRs. In Intermediate 3 Sandra and Monty had a lovely round, despite being new to intermediate. Penny's Dice was not quite focussed on agility as he was eyeing up ex-local Tricot. Someone needs to tell him how far away the South Island is – these long distance relationships never work. It was entertaining to watch the different ways people set up their dogs at the start line. For example, walked in between the legs as Laurel and Rebecca do. Set up on the lead as Peter is now doing with C. Called to a present position at the right distance from the first jump, as Liz does. Loosely heeled in barking insanely (my method with Niko – but I've changed my ways now, honestly! This year he doesn't get to verbally demand a run.) Or pulled into the ring with handler's hands on the dog's neck – too many competitors to mention.

Notable prize-winners included Kaylah and Ollie who won top Feilding dog – her Starters 2 win put her in Intermediate. Bronwen and Hustle's novice win put them in senior and I've never seen such a happy winner – the judge got hugged! (We call winning into senior with a 10 year old dog “doing a Hogan”, as that's what Nicola and Hogan did at Feilding's Champ a few years ago.) Natasha and ex-local Tricot won the top dog trophy, well earned for her lovely runs. And on Feilding's behalf a big thank you to all those people from other clubs who helped out – we, like many other small clubs, couldn't run a show without you. Amongst the helpers I noticed Bill, Liz, Penny, Chris, Kevin S (hope you got your hammer back!), Deb and Mike – who must be an honorary member of many clubs he helps out so often! Sorry to anyone I missed, but thank you very much! January had barely begun when Horowhenua and Feilding held ribbon trials. I didn't make it to Levin but heard that Hustle won jumpers C.

9th January

At Feilding's ribbon trial AD was up first which may be why there were only 3 successful competitors – no chance to warm up on other events. Congratulations to Bronwyn and Taz and to Robyn and Leo who made it to AD, and to Kaylah and Ollie who were highest qualifiers – now just one to go. After an initial confusion over the results it was revealed that, in a split jumpers C1 class, John and Rico won mini/micro, Ana and Blast won midi and Janine from Horowhenua won maxi. I won both Bs with Niko so I'm now in A at ribbon trials. Karen was second in both Bs – a trifecta she said! Mike won both As with Rapid – and one of them was a clear round. How many other entries were there Mike? He nearly forgot to collect his second ribbon, must be getting casual about A wins. Liz and Jaffa won novice, ahead of Amber and Gaea and Chris and Ted E won starters ahead of Michelle and Max. Intermediate was taken out by that great combination Sharleen and Tasman from the Wairarappa. They just keep getting better and better. These feats pale into insignificance however, compared to Wayne getting a clear round with Scruffy. Something as rare as that should be worth money one

day. But no, I still don't want to buy it and frame it thanks Wayne.

15th and 16th January

I never made it to Wanganui but heard it was a huge show – everything except A was split. Wish I could have got there! I'm told an awesome weekend of agility was organised by the host club, particularly noticed were Shane, Mark, Rachel and Andrea but all the club were great hosts. Everyone had a really good time. A highlight of the show was the making up of the first jumpers champ –Pete and Quick! There has been a race on to be the first to that milestone and it was excellent that it was won in zone three by zone three competitors. Not that I'm biased, of course! Now, who's going to be the first grand champ for jumpers?

22nd January, The following weekend Kapiti's Champ Show had lower numbers, as you'd expect from a single agility and jumpers. Though ADX did bring in a few more entries. With room for only one ring it was a long day. It began warm and cooled off, the promised rain was obviously not far off. It was nice to see Paige running her dog Bobby whom she has trained herself; his first show had been Wanganui. They improve every time they run.

23rd January. On Sunday South Rangitikei show had small entries, a fall out from too many shows in the area perhaps. And all those who didn't enter may have felt very smug about it as the drought broke over-night and it rained, and rained, and rained. The ground was so dry, however, that water plus dirt did not equal mud, instead, with pools of water centimetres deep, it was like running in a children's paddling pool. Not that I've ever done that with my dog. The results included Aprille and Smarty Pants winning B, Cath and Rosie winning starters and Shaunise (sorry, I haven't checked that spelling – will do better next month) and Zee winning novice and C. Diane placed twice in intermediate – once with Kashi and once with Hunter. The raffle was won by Liz who also placed in novice, she was happy about both results. Diane R, who won intermediate and senior, took the top dog trophy. However, I think the happiest competitor of the day was Elaine, who, with steady Eddie, came second in senior and got a challenge on a very tricky course. A big thank you to Peter who helped Rod out on the computer all day. And to all those who helped us out in such steadily wet weather. Especially Also Robin who lent an Oz tent to one of the rings – she used it to judge from. Very canny and very necessary!

29th and 30th January DAWG

This was a busy show and a number of competitors achieved personal successes. Elaine and Merlin won starters 1 and starters 3– they are in intermediate now. Merlin also won novice 1 midi and was second in C1. George and Gee won starters 2 – they are in intermediate now they are another team to watch. Ana and Smudge won novice 1 maxi and were second in novice 2. Rebecca won intermediate 1 despite her injuries – but sensibly stayed home the next day. Alannah and Keepa got a second in B1 and 4th in senior 3. Shaunise and Trudi made the line-ups several times, winning a novice and a C. Peter and Quick won a senior and an

A in very smooth style. Peter also got in the line-up with Myne, who was 3rd in C2. Louise was second in A2 despite losing her way temporarily on the course and having a loud “Oh shit!” moment. Kevin and Antz were second in intermediate 3 and won B2, which puts them in A. Diane had another good weekend which included a senior win and a raffle win. Anne ran Jenny’s dog Shade and showed her heading dog handling skills by placing 3rd and 6th in intermediate runs. Jane and her boxer Paris got second in novice 3 but were out classed by the smaller and (much) younger members of the family, Paige and Bobby, who got their first clear round in starters and won elementary A. Sorry Jane, couldn’t resist! Well done also to Lesley and Floozy who are regularly placing in novice and starters.

Adding to the excitement of this show for me was that Niko got his first clear round in senior and two placings in intermediate. And Pulse’s big (half) sister Cheeky became a grand champion. Congratulations Deb! No doubt Mel’s report will cover the celebrations - just as the flour and water covered Deb as she was lying in the paddling pool being spun round by the legs!

I’ve included a selection of photos from the two Feilding shows. I wanted to add captions to a couple – but have been good and resisted the urge. Feel free to add your own!

Canterbury Tails by Sue McKee, Teezsa, Rez and Switch

Happy New Year everyone! The year has started off hot which is nice, but a bit hot for doing agility sometimes.

Waimak Fun Day Fundraiser for the Tansey Family, 15 January 2011

Well done to all Waimakers for putting on a great event, but especially Paul and Mia Beswick and Lisa Duff and Phil Johnson for all their hard work. A great day was had by all, albeit somewhat hot and I think we were all flagging by the end of it. Tunnellers, Veteran Handlers, Junior Handlers, Inexperienced Handlers, Knock out, Jumpers Pairs and Veteran Dogs. I especially enjoyed running my old

girl in the Veteran dog event on mini height, she thought she was just the bee's knees. Over \$1,000 was raised to go towards helping the Tansey family out in their time of need. We are all thinking of them and hoping for the best.

Wanaka Extravaganza

Well, the Wonderful Wanaka Weekend has been and gone. At the moment I'm writing this on my laptop in Wanaka, on Monday morning after the big event has all been done and dusted. A magnificent effort from Louise Marsh, Michelle Jopson and Karen Grant and all the many, many others who contributed to make this the fantastic event it was.

The weekend started on Friday with flygility and dock jumping. The dock jumping was very popular with 55 entries with various levels of success, with Switch handled by Rob McKee being pipped by the last dog to compete, Bob the Boxer. Well done to Bob and Don Leckie. When we arrived at the property where the lake was, we could be forgiven for thinking that we were in the middle of filming of a Diehard movie, as a helicopter was flying around with men on either side with guns – shooting rabbits for “sport” I guess, with some big boy toys. Thankfully they decided that we were unimpressed and flew off to do their shooting elsewhere. What a lot of fun the dogs had, although the biddy biddies that got caught in many of the dogs fur wasn't so much fun afterwards – Rez had thousands stuck in his coat and had to have a thorough grooming, with enough fur off him to make a small guinea pig. And of course, being so near to water, it was a perfect opportunity for those who had missed out on Tim Connelly's dunking in Invercargill to dunk him in the lake.

View with Lake Wanaka in background

Then it was on to the main events, with triple agility and triple jumpers. Saturday was a massive day, and very hot but with the Lake to cool off in the dogs had a wonderful time. It was incredible to think that while we were all basking in the sun the North Island was having torrential rain and floods.

Above: The Head shaving
Below: Switch dock jumping

A lovely meal was supplied on Saturday night, and at a very reasonable cost. Paul Hickey (aka Rangi) had been growing a lovely mane of hair so that he could raise money for Jack Tansey by having it shaved off. So after tea we all went and watched not only Paul Hickey but Paul Beswick have their heads shaved very nicely by Michelle. It was hilarious to watch and Tim managed to get his revenge for the dunking on Friday night by placing a half eaten ice-cream on top of Paul B's head after it had been shaved.

A nice early finish for the weekend making it easy for those returning home to do so in good time. Congratulations to all those who did well on the weekend, commiserations to those who were disappointed and well done and a special mention to Waimak Young Gun Emma Trimble with her new dog Levi who had some great results and put the rest of us to shame. As a judge of the Flygility I was rewarded with a lovely little goodie bag, as

were the other judges of all events, which included wine, some of Rosie's delicious brownie and vouchers, and a dog toy, a very generous touch.

Otago Canine Training Club Agility, 29th/30th January

Although not part of the HZ4, no one seems to be covering these events so as I was down there I'll write a few words. Freezing cold start to the weekend with rain and winds, so different to the week before at Wanaka. Lovely courses by our North Island judges. Keri brought the rain with her and Rain with her, and cleaned up

Top Dog for the weekend. Starters Top Dog was won by Anne McLauchlan and her very cute little black poodle (mini) Tya (all classes unsplit). Dash for Cash was a popular side event with David Cook taking out four of the top five placings, with Lisa Cross squeezed in there somewhere as well. Nice to have an extra run (or two or three for those who got through to the finals).

The usual high standard of organisation and of course the wonderful catering made this an enjoyable, if a little chilly, event.

A special mention must go to all those people who donated their prize winnings of dog food to the Tanseys. Also to Jo Rennell who didn't win a prize on Saturday so went out and bought some dog food to put in the box. We delivered the food to Susan and Steve the day after, and they were delighted to receive it and very grateful.

Down South report. By Elaine Pearce

A BIG Thankyou to Elaine for stepping in and sharing the news from the far south.

It is so sad that since I stopped writing this report last year that no one has taken on this role. I hate seeing nothing from down this way so will resume writing for the shows I attend. Maybe people don't read the reports so don't care that there is nothing from the lower South Island but I do.

The first event for the year was the **Southland Show 15/16th January**. Another relaxed, fun show although entries were down a bit probably due to the fact that there were three consecutive weekends of shows in the lower South Island.

The icecream queue

Next was the **Wanaka Show 22/23rd January** hosted by the Waimak Club. While I did not attend I heard it was hot and the close proximity of the lake was very welcomed by both dogs and handlers. There were a number of North Islanders down on holiday who also stayed for the Otago show which is always good to see.

Otago Show 29/20th January

Unfortunately the weather gods chose to provide us with almost four seasons in one weekend. Saturday morning was wet and then wet and windy taking out our brand new gazebo because no one thought the wind would come up so they did not peg it down. More fund raising now needed :-(((

The weather did improve Saturday afternoon and Sunday and certainly it was never too hot for dogs or people. Big thanks to our two judges Abi Lister and Keri Neilson. Both seemed to enjoy the one ring show and the local hospitality. Keri was here on holiday and also ran her dog with considerable success. Keri took out the Top Overall Dog award. Top Starters Overall Dog was Anne McLachlan and Tya. Thanks to all our helpers particularly the Southland club who we now have a fairly solid reciprocal arrangement with for helpers. This makes it so much easier for both clubs.

Otago ran its first Dash for Cash thanks to the organisation of David Cook and Anne Bevan. The first round had 60 entries so obviously it was a draw card. We expect to do this again probably next year. David did take out 1st, 2nd and 3rd (and 5th) in the final with some absolutely stunning runs. As scrimmer I found it very difficult to keep watching the judge (but I did!). The best placed Starters dog in Dash for Cash was Margaret Ogg and Bing.

Southland Show

Congratulations to Tim Conolly and Lexie for getting the last challenges to make Lexie up to Agility Champion. They won Senior 1 and 3, Intermediate 1 and 3 just to make absolutely sure so a pretty awesome weekend.

Vicky Fox and Spy are now out of Starters as are Anne McLachlin and Tya and Shayne Oliver and Flick so well done to all of you.

New Zealand Association of Rally-O

RallyO is a sport that requires the dog and handler to negotiate a numbered course without direction. Handlers walk the course just like in agility and the dog is timed also as in agility. The exercises that need to be performed include basic ones such as sit, down and walk closely to the handler, but also include many of the foundation agility exercises such as circles, spirals and serpentine around cones. To take part join either NALA or NZARO.

To receive the complete NALA magazine including the Rally-O supplement you must be a full member of NALA. To receive the Rally-O supplement only you need to be a member of NZARO.

Any club member can judge. Anyone judging must make themselves familiar with the *NZARO Handbook*, available on the website www.nzaro.webs.com

This year the courses will incorporate two new features—the Zoom course and the Handy dog category.

The Zoom concept is where the stations that are used are any active stations, and those with any halt s or static positions are not to be used. In addition three new signs have been introduced—the left hand and right hand circle and the figure of eight.

For more information go to the NZARO website. Have fun!!

www.nzaro.webs.com

Course results unavailable at time of publication, but will be posted on the NZARO website when available.

1. spiral right, dog outside (21)
2. left turn (6)
3. Straight figure of eight weave twice (23)
4. 270 right (9)
5. serpentine weave once (24)

6. Left turn (6)
7. About U turn (8)
8. Left about turn (29)
9. Serpentine weave once (24)
10. 270 left turn (10)
11. moving side step right (20)

Send Results to Mike Butler.

Flygility.. by Allan Rohde

This is from the web and although it relates to flyball, the principles are just as valid for flygility. The last sentence echo's what I have been saying to handlers for quite some time.

Pre-training Tips

If you are interested in starting flyball with your dog here are a few pointers to get you started before you attend any training sessions.

Firstly your dog will need a good recall, they can get very excited and distracted when there are a lot of other dogs about but you need to be able to get your dog to come to you when called.

Where possible try and avoid using food as a reward and use a favourite toy instead.

Get your dog really focused on a tennis ball (I know that seems obvious!!)...you can create lots of fun games at home!! Balls on ropes, bouncy rubber balls and hollow balls stuffed with food/treats are all good incentives.

If your dog already likes to chase balls that's great but you need to be able to get him to retrieve a stationary ball (rather than having to throw one)...one of the best ways to train this is to hold the dogs collar and throw the ball...hopefully the dog is pulling to go and get it; wait 'til the ball has landed and then let the dog go, while he's waiting to go start giving a 'signal' that tells him what you want him to do e.g. keep repeating 'where's your ball?' or most commonly used in flyball 'ready, ready, ready.....GO!!!'

Gradually increase the time delay between the ball landing and letting the dog go...the whole time 'winding him up' with a 'ready, ready, ready' until eventually you can place a ball on the ground and send your dog to retrieve it. You can start doing this with any age of puppy...starting with shorter distances and gradually building it up.

Once you have this ball retrieve mastered with a 'ready, ready' signal and a good recall you will find embarking on flyball training a doddle!

Next Challenge Course – March

The monthly courses can be downloaded from the files section of the NALA group. These can be accessed from the following web address:
