## EDITORIAL

by Karen de Wit

Hope you are all having a nice start to the agility/flygility/rally year!! It is inevitable that the Autumn mornings have arrived, along with that the calm evenings and settled days, but alas it also heralds the cooler days of winter. I look forward to enjoying the last few summer events and having a bit of a break over winter—great I think to have an off season when the weather is also “Off”!!

It was a shame to hear about the NZKC agility committee lack of nominations. It seems the way of the present, with many clubs including NZKC itself, reporting a reduction in membership. However I am sure that now people realize there are some vacancies that more will put their hands up. Let’s hope so, we don’t want the Exec taking over!!

There will be a few small changes to the recording of the results this year. The increased popularity of NALA Flygility has caused some problems to NALA with a huge increase in the number of printed pages in the magazine dedicated to Flygility results particularly in those months when both Standard and Challenge courses are run. Last month the magazine climbed to an all time high of 40 pages, with 7 pages dedicated to Flygility. For Flygility (Std and Challenge course results) we will publish in the magazine all handler and dog names of the first team from a club, and thereafter publish team names only. The full list of results with all names included will be available to clubs as a hard copy and on the website.

Some small changes to the Agility section will also be made. Due to the expansion in some dog’s names and the difficulties it causes with regard to producing the magazine results and complete result listings as far as formatting and editing, we will limit the number of characters allowable for dog names to 16. The preference is for the use of the dog’s pet name only. This will also result in slightly fewer pages being used for agility results, and less editing hours.

We realise that people like to see their names in print, and we want to make as few a number of changes as possible. However we would also like to keep costs down and to produce an interesting magazine which contains a variety of useful content for subscribers to read. If anyone else has any ideas we would be pleased to hear them.

### Cambridge Champ

The Cambridge champ show is always one of my favourites fantastic show for camping so many tree's for shade it's like a small community under there. The weather was great not too hot most of the time, the show ran well as normal very well organised courses set up fast and lots of time to walk the courses.

The judges set some really nice courses and was nice to see Heather up from the south, there were some great results with Susan Lorenz with a 2<sup>nd</sup> in Starters with Rose, Lauren & Zac 3<sup>rd</sup> in Starters, Fiona & Kindle 3<sup>rd</sup> in Novice, Ross & Count 1<sup>st</sup> in Novice. Kate & Quinn 2<sup>nd</sup> in Novice, Jason & Jack 3<sup>rd</sup> in Senior also Chelsea having some great results even getting 1<sup>st</sup> to 4<sup>th</sup> in Intermediate, I finally managed a clear round with Breeze in Kirstin's Intermediate and got 4<sup>th</sup> so I was really pleased. Martin had a great run with Ohce getting a 2<sup>nd</sup> in Intermediate, Sue & Tonic getting a win I Intermediate. Amanda & Zip also had some great results a great Senior run with just one fault at the end was great to watch.

There was a bit of drama at prize giving on Sat Lyn bumped his head while picking up his prizes very nasty big cut so an ambulance was called he was checked out and after a few stitches he was fixed up and sent to bed with I'm sure a very big head ache.

Saturday night was a busy one there was a bit of a party

going on round one camper lots of music and laughing also a bit of cross dressing I believe someone down south ended up wearing Mark Wilson's shorts !!! she wasn't game enough to judge in them on Sunday though.. This was the first show I had been to this year that no one had a soaking, there has been champ or grand champ at everyone.

We didn't go to the Wairarapa Jumpers but have seen some results Debbie & Riddles winning a B Jumpers go Riddles !! Also Catherine & Breeze winning a B Jumpers. Kristina had a great weekend with Zena winning 3 B Jumpers and Jazzy wining A Jumpers

### **CHB Jumpers**

Also another show I didn't go to but some more results Kathleen & Andy winning Jumpers B, with Cam & Sheeba 2<sup>nd</sup> , Debbie & Riddles another 2<sup>nd</sup> in Jumpers B Also Jane & the doby 3<sup>rd</sup>. Robyn having a great result with Flint winning C Jumpers.

Well done everyone !!!

Well just as I finish my report this month must mention the poor people of Christchurch It's such a terrible time for everyone our thoughts are with you at this sad time

## **Lower North Report-by Sandra Mohekey**

Firstly, I wish to express my sympathy to all those affected by the Christchurch earthquake. It has affected all New Zealanders but those of you in Christchurch and its environs most of all. Many of us have hugged our families (canine and human) a little tighter, sent our prayers as well as more practical support to you, and put a lot more thought into our own emergency procedures. Our love and support are with you.

### **Wairarapa Championship Jumpers Show 12<sup>th</sup> and 13<sup>th</sup> February**

This was a smaller than expected show given there were so many jumpers runs on offer but the masters in Whanganui and the Cambridge show were competing for entries that weekend. This worked to the advantage of those of us who did enter but meant there were no challenges or splits. However, the weather co-operated and all we

needed to do was remember to put on our sun block and relax and enjoy a well run show which finished very early both days. Sunday was over by lunch time and people could just sit and talk – amazing! I caught up with a few people, returned a cup I’d forgotten I had, and tried to keep cool. My puppy Pulse had a lovely game with baby de Wit which involved Ali

pulling him around by the lead – at one point they went either side of a tree.

In terms of results, on Saturday Louise proudly shared that she’d had no Ds all day. Be sure to congratulate her on that. Rebecca and Seeka had 2 A wins and Di got a first and a second – getting back a prize she’d donated! Other notable results include Aprille and Fancy taking out C2 and getting third in C3, Sharleen and Tasman getting second in B1, Maree getting second in C3 with one dog, Trump? (Can’t read my own writing!) and fourth with another, Jet. The C3 line-up was funny because one dog tried to drag the biscuit prize towards it – but it hadn’t won the biscuits! Meredith was also funny because the judge, Karen, was trying to give her her prize but couldn’t get her attention. When she finally looked at Karen Meredith said she hadn’t noticed her because she was looking at “the other guy”. Better really watch your *contacts* in Karen’s ring in future Meredith because her eyesight is clearly better than yours! Dee, run by Pete, won 2 bonus crcs – she has already won out – and Denise and Shady were second in C4.

On Sunday when Pete was running Dee as Karen, he was told he was looking very pretty that day – what are these people on? Good results for our zone include Marian and Zephyr getting second in C5, Ana and Blast second in C6 and Liz and Jaffa third in C6. Niko and I were second in B5 and Sharleen and Tasman capped off a good weekend by winning B6. Di and India won A6 but, as Louise pointed out, they were beating Louise’s runs by less each time! Did you D in any Louise?

Two of the top dogs were from our zone - Peter with Dee for C (tempted to write P with D in C, but will resist) and Diane and India for A (Di with I in A, ey?)

## SOUTH RANGITIKEI DOG TRAINING CLUB

The South Rangitikei Dog Training Club was formed in 1975 as an obedience club, agility was not around in those days. In 1994 agility was thought of for the club and equipment bought. We started training at the Polo Grounds in Bulls but were at the mercy of the polo people and never knew when they planned a tournament or a training session, also there were sheep to contend with! We looked for other grounds and settled on the Bulls Domain in 1999.

In 2000 we joined LINK and in 2005 the name was changed to South Rangitikei Dog Training Club to reflect our agility status.

After doing agility at Feilding, Julia Crouch was the instigator of agility and the first trainer. She was also the flygility co-ordinator for LINK and brought in many of the innovations we take for granted today. She and Tambo were the club's first AD but could never manage that elusive X. The first to do so were myself, Liz Tolhurst, and Kala.

Silvia Rizzi and Chico were the next to start competing, Chico must have been one of the largest dogs to do agility at over 700mm tall and weighting 48Kg. Silvia also had Fifi who was the club's first senior dog and who got the club's first challenge. The club has recently been joined by Rod Pearce, Wendy Taylor and Sandra Mohekey. Thanks to Rod and his dogs Amon, Radar and Polly we are now in division three for LINK. We are hoping soon to have a Flygility team.

We train agility on a Monday night in summer and on Sunday morning in winter. Our CAE has till recently been held in January but with so many clubs also moving into January our small club could not compete so we are moving to Easter from 2012 and our R/T will have to find another date.

## **Hawera Champ – 19<sup>th</sup> and 20<sup>th</sup> February**

I didn't attend this show – I had volunteered to be part of a round the lakes relay team that weekend and after my 4am Saturday 8 km walk spent my weekend staying in a lake side bach, swimming, having coffee in cafes and window shopping. I was told I missed a good weekend as it was a good show but truly, I didn't miss it. A little “send the dogs to the kennel time” is good for all of us!

Liz reports that the Hub location was good but she missed the old grounds - they were being used for another sports meet. She won the raffle and was nearly as pleased about that as she was her fifth placing in Senior. She told me Sylvia got a third in Intermediate. That's all the information anyone shared with me so congratulations to the other place getters whoever you are.

Karen de Wit and Cee who is almost 12 years old, gained a challenge which made them very happy!!

## **Central Hawkes Bay Agility Ribbon and Jumpers Champ – 26<sup>th</sup> and 27<sup>th</sup> February**

There weren't many of us Zone 3 types at the ribbon trial on Saturday – just a few of us mad ones who were chasing our AD certificates. The AD was run after senior, intermediate and novice ribbon events which is probably why there were so many CRs. I am delighted to skite that after a bit of sibling rivalry (our dogs, not us) Liz and I both gained our ADs; Liz got her first and I got my last. Niko is finally ADX – hurray! Now I can enter ADX. Julia and Gem got a well earned and hard fought clear round in Starters; Julia credits Rod who has helped with this by running Gem for her at some shows and at some training sessions.

The YKC qualifier heats for the National finals were quite exciting. Paige and Kite (Jo's fluffy little BC) won the 11 and under section and so Jane and her have had to book their accommodation and make sure they enter before entries close. As well as supervising Paige's runs (from a distance) Jane had her own success, Paris was third in Intermediate. The lovely Floosie run by Lesley also had success in Intermediate, she was fifth.

On Sunday there was a double jumpers. Kevin and Antz won the first A – a well managed round which was the only clear on a tricky course – well it's A, they all look tricky to me! Paige and Bobby, her dog

which she trains with Paul's help, were third in the YKC 11 and under. Paige also placed fifth in C with Kite but finished out the ribbons as these only went to fourth – the entries weren't high. Second in C was Nicola from Horowhenua with her dog, Jen. (Or something that sounds very similar.) Niko and I were finally the bride and won our first B.

### **CCATS Triple Champ and double jumpers - 5/6 February 2011**

Whew, hot, hot, hot. The temperature climbed to 36 degrees, starting out at a very warm 29 degrees first thing in the morning. There was no let up, and no shade unfortunately (or very little). Courses by Nic Furby, Judy Young and Bernadette Richardson who had to endure those scorching temperatures all day. Thoughtfully provided, a big water trough for the dogs which went down very well with most, even those who don't normally "do" water got a hose down to try and invigorate them.

### **South Canterbury Dog Training Club 12/13 February 2011**

Another hot day on Saturday. It was the first time that SCDTC had run a double event with jumpers, as they normally hold their show in conjunction with Obedience, but for the first time they were there as a standalone agility event. The plan was to alternate rings, but events kind of took over on Saturday around lunchtime when Zach Lappin, Helen and Ian's gregarious wee boy, disappeared. All competition stopped while people scattered everywhere, calling his name and running around looking for him in all the likely and unlikely places. The police were called and arrived in super quick time, and he was found approximately four streets away with another youngster, weeding someone's garden! Helen and Ian would like to thank all those involved in looking for their son, he is a gregarious little chap and everyone knows him, and we were all very glad that the outcome was a happy one.

### **Waimak r/t 26 February**

Well, as I'm writing this report we are still reeling from the terrible

tragedy that has befallen our area and our city. It is still very raw for people and hard to believe that it has happened. Out here in the Waimak area we were unscathed, but we are all feeling terribly sorry for all those that have lost loved ones and homes. It is very heartwarming though to see how the rest of the country has rallied around Christchurch in its time of need and the support from the agility community towards us all has been awesome. Waimak decided to cancel the ribbon trial out of respect for all those suffering, and hold a low-key barbeque for anyone who wanted to come and just talk. Quite a few of us turned up, although naturally the conversation revolved around the experiences of the earthquake and anecdotes of others people knew. We were all hoping that 2011 would be a better year but so far ...

### Central Bark By Linley Barrett, Kliff & Fluke

Well no events from our area, just our general club welcome back and get together. Unfortunately it is impossible for me not to talk about the crisis that has happened to our beautiful Christchurch. From my personal viewpoint the Nelson region has felt this tragedy quite deeply. It is a rarity for anyone in Nelson to not have some form of tie to Christchurch and/or its people. I was aware of the event within 10 minutes of it happening and have engrossed myself in it probably to the point where it was unhealthy. I cannot imagine how the people in Christchurch felt being amongst it all.

On Saturday was our monthly LINK and some Nelson Agility members ditched our traditional blue and wore red and black – see pics. It was good to get back in amongst my agility pals and it helped restore some normality. Fluke did a nice clean run for me too, running for Canterbury in her red & black collar which was nice. Unfortunately Kliff knocked a rail.

Like Sue said previously the kiwi spirit is awesome. On the news one night, they had people emailing in offering assistance. My personal favourite was “Free - old couch, spare shirt, come crash”. You gotta love kiwis!

Don't forget to text 'quake' to 933—Tomorrow we will observe the 2 minutes silence at work. Sending love to you all from Nelson - Christchurch. Kia Kaha.

## New Zealand Association of Rally-O

RallyO is a sport that requires the dog and handler to negotiate a numbered course without direction. Handlers walk the course just like in agility and the dog is timed also as in agility. The exercises that need to be performed include basic ones such as sit, down and walk closely to the handler, but also include many of the foundation agility exercises such as circles, spirals and serpentines around cones. To take part join either NALA or NZARO.

To receive the complete NALA magazine including the Rally-O supplement you must be a full member of NALA. To receive the Rally-O supplement only you need to be a member of NZARO.
