**Photo front page: 1997-** Editor/Judge presents Heather Broomhall and Sheena with a ribbon

I trust you have all had the chance to get outside and do some training with your dogs. We had a great time at the National Dog show and I can honestly say that it was the best Nationals I have attended from an agility point of view. The venue was great, the surface was good, there were lots of classes, the competition was extremely good and close, lots of Clubs shared the load of running the rings, the prizes were pretty good too. I also enjoyed the opportunity to go to Feilding earlier to experience the rest of the nationals—the stalls, the crowds and the breed showing. Added to that some Rally-O and the YKC kids and I think it had it all! A short rest, during which our club runs a ribbon event and then we are off to Ashburton and NDTA. Given current weather conditions I will be packing all my wet weather gear!!

## ~ NALA REPORTS ~

### Top 'Arf report – by Ann Kenny

September heralds the beginning of Spring in the Southern Hemisphere, and Spring it certainly was for HZI's first show for this month. After what has seemed like weeks and weeks of rain up here – particularly starting just before I go home from work – the sun came out for our show and shone down upon us all weekend. I even made some notes so that when I finally wrote up the report, I would be able to remember what happened. Looking back on those notes now though, I can't read my writing and if I could, I can't remember my own shorthand!

The format of the two northern clubs working together worked well for all concerned, not least the clubs that were running it (Whangarei and Mangawhai). Particularly on the Sunday we had excellent numbers and this gave me a few ideas – to be revealed

later. It was interesting to note, though, that a Jazz won both Elementary As, two different Jazzes; Tonka's on Saturday and Heather Warren's on Sunday. Diana McKay was especially pleased with that second win as Jet was second in that class; two dogs she had rehomed from the Waitakere pound. Karen Tipa from our own club had a particularly awesome weekend picking up wins in the two Starters and a Novice with Toby. I could name all the wins and high placings, but I was ever so proud of Taragh's litter. It was so cool to have all three pups that were re-homed into agility homes making their debut at our show; Cameron's lack of training showed up, but in spite of that he got a ribbon in Elementary, Holly picked up three ribbons and young Ani made Fitz's run look like a Chelsea winner in Jumpers C, which it was. Not blimmin bad for very young dogs first time in the ring.

The following weekend it was WAG which in the true tradition of spring threw just about any kind of weather at us imaginable. The organisers of that show always run a clockwork show and with the three rings running at once we were finished very early. Sue Connor stood out as a surprised-looking competitor taking away wins in all three Starters – that Duke really has been a handful of a dog, but Sue being Sue has stuck with it and by him and looks like all that work is paying off. It goes without saying that Chelsea did awesome in Intermediate 3 taking out the top 5 placings with all 5 of her dogs. But I just happened to notice that Chelsea also *won every single class* she was entered in with one or other of her dogs – that's a pretty damn good achievement as well.

Down to Manukau and ACAC Ribbons the following weekend, I had a pleasant weekend with just my boys – Taragh was in season, so has had no practice prior to the NDTA; but there you are, you get that. I didn't mind the rain too much at Manukau's show on Saturday and was so relaxed wasn't bothered about the timers for ring 2 not showing up until about 10.00am so a very late start for that ring, which put all plans awry for poor old Clive, the Show Manager. Karen Tipa and Sue Connor continued with their winning ways at this ribbon trial too. But it was nice to see Irene Sealey's new little dog Sapphire doing so well. I watched that dog do a run at Tau-

ranga the following weekend, and she's quite speedy and quite switched on.....need I say it – for a spaniel, but she is doing some really lovely work and could one day soon knock us all flat with nice steady rounds.

ACAC's RT at Counties' new Te Hihi grounds on Sunday was sunny and very countrified. I enjoyed sitting in my chair with my face to the sun listening to the skylarks as much as anything else. I learned what I needed to work on with Cameron – a chance would be a fine thing – but his little siss Holly picked up another two ribbons. My own dear old Ash picked up a ribbon in Starters which is a big achievement for a dog that's had a double arthroplasty.

It has been an **exceedingly** busy month for shows this September. The final weekend available was taken up with a pretty darn good show at Tauranga. The spring showers continued to fall (absolute downpours) on us. Duke won yet another Starters. I actually got to see some of the awesome runs – one being Graeme Jefferies and young Millie in Starters 3. What an awesome run. Only about the 4<sup>th</sup> dog to go and clearly there was no way anyone was going to beat that time. Also stopped and watched Nick running young Edge in Novice 1. He was doing a blinding run, then stopped the dog on the contact and kept him there. Even told the dog he was a good boy or two or three then released him to finish clear. In spite of that long delay Rainstar Rattle and Hum won that Novice; it was his very first Novice run. Looks like there might be something in this take-the-new-dog-down-to-Training lark.

Photos.

- 1.. Rochelle Rutledge's two shepherd's with Ngaire's Flash in the centre
2. Buddy, a new Mangawhai dog (imported form NorWest)
3. Spark, Bruce Ireland's new pup

The first four places in Novice 3 were snaffled by HZ1ers, however, looks like Deb and Plezey managed to elbow Chelsea out of the way for ONE of the upper class runs winning Intermediate 2 (it goes without saying Chelsea won all the other Senior and Intermediate classes).

That concludes September. The very first weekend in October is up to Camp Rebecca, though once again Nigel's had another hare-brained idea and will be left at home to sort it out, poor bugger – not that it doesn't need doing, for it surely does since most of our yard and driveway is now in the ditch at the bottom of the hill, and so the spreading of the load of metal he had delivered while we were at Tauranga is a must do.... less than 2 weeks before we take off for the big OE! Talk about adding stress!

### **Central Report—by Mel Mankelow.**

#### North Taranaki Champ

What a great start to the month, back to Taranaki for their 50<sup>th</sup> Aniversary show always a good show and no change this year. The weather had been really wet so we were hoping for a change which we got although things started a bit cold it soon warmed up.

There were some fantastic results from this show Shelly Clark &

Debbie McFarlane makes Plezey up to Agility Champion

Tully winning starters 1 also 5<sup>th</sup> in Starters 2 and 4<sup>th</sup> in Starters 3 finishing off with a 3<sup>rd</sup> in Novice 2. She went home smiling. Also Nick Chester having an amazing run in Starters 3 to take the win. Polly getting some great results with Zip wining 2 out of the 3 Novices for the weekend with Kate Butler to win the 1<sup>st</sup> really nice run from Spring, great to see her doing well. Also some great placings for Amanda & Zip go the team dog, and Shelly & Jaz everyone heard her run if they didn't see it. Deb Jackson & Cheeky had some amazing runs together and picked up another challenge they have become a great team to watch, Jan & JJ also doing well and picking up the placings also Charlotte & Chaos. I think you will agree we have some fantastic dogs out there at the moment and getting those high placings is becoming very hard so was very pleased that Jason managed a 3<sup>rd</sup> in Senior with Bailey, just pushed from a challenge by an amazing last run by Mark Barrett & Pippa (and I shared chocolate with him in the morning). Well the highlight of our weekend.... we have been so looking forward to Debbie McFarlane making Pleze up to Agility Champion and boy was she going to get it. We have had it all planned for so long, the buckets were filled and Jason had run down to the shop and got a big bag of flour just to top it all off. So she was soaked and then the flour was poured on to be topped again with more freezing water what a soaking and so deserved Deb & Pleze are a great team to watch in the ring and we all new it wouldn't be long before they were made up. The flour was still stuck in the hair the next day.

Another great run of the weekend was Skyla Patterson, she stole Jason's Breeze to run the YKC. It was the first time they had run together and they had the most amazing run to win think we may loose our dog if we are not careful. Also well done to all the YKC kids great to see them included in the show's hopefully more clubs will add them to there events. Thanks for a great show Taranaki will be back next year for sure.

### WAG Champ

We headed off on the Friday night this year so we didn't need to get up and off so early the weather was bad on the Friday and didn't improve on the Sat WAG do a great show every year and it was

made so much harder this year by the weather so well done to all of you. Sue Connor winning all the Starters of the weekend what a great team her and Duke have become, also Shelly & Jaz coming 2<sup>nd</sup> in Starters 2. Una also having a great run with Kwila to come 4<sup>th</sup>. Must Mention Jason & Indi coming 2<sup>nd</sup> in Novice 2 and winning Novice 3 on Sunday to put her into Senior, as most of you know Jason has been running Indi for me while I carry the bump and one of the rules was not to win her out but looks like they are starting to work well together now and I do wonder if I will get her back !!! Some more great results from Lyn & Scamp winning Jumpers C, Dyson with some good results from Rummer, Una coming 4<sup>th</sup> in Senior with Kwali and getting 4<sup>th</sup> & 5<sup>th</sup> in Starters with Kwila, Trish & Bindi and Martin & Ohce, Natasha & Sage, Jan & JJ and Mel & Billie.

The weather was better on Sunday the sun even managed to shine for a part of the day. Chelsea had a great weekend winning all the Intermediate & Senior classes and managing to place 1<sup>st</sup> to 5<sup>th</sup> in Intermediate 3 don't know if anyone else has ever done that before. Another good show from Wag and so much better now we can park on the grounds.

### Napier & Hawkes Bay Ribbon

Another wet weekend seem to have rained at most shows lately so looking forward to the summer, a very quiet ribbon trail this year I think lot's of people were put off by the weather but still a good show very relaxed. Everyone worked together to keep things moving and we were finished nice and early both days. Some results from the weekend were Sue & Cookie winning Starters, Jason winning Senior with Bailey, Raewyn & Remus and Michelle & Cass getting some good placings. Celina & JJ having some great wins, also with Andi winning Jumpers. Was nice to see some more new handlers joining in and getting some ribbons sorry I don't know your names to put them in. Thanks to Cam & Jane for letting us stay we had a great weekend and also managed to fit some baby shopping in as well.

### Tauranga Champ

A nice local show for us, well run by the Tauranga club weather

was good as well which helped just a few showers. Sue Connor started the day with another win in Starters with Duke and Nick having an amazing run with Edge to win Novice also getting a close 2<sup>nd</sup> in Starters to Graeme and Mille. Fiona Hodgson also doing some great work with Kindle she is getting better and better in the ring and her confidence is growing with each show. Think we have a great Starters team dog there. Some good places also to Michelle and Scooty, Una & Kwila, Stephanie & Bronte, Jan & JJ, Deb & Cheeky, Ross & Witch, Daryl & Eye C, Kathleen & Andi, Jason & Breeze & Jack.

Chelsea managed to win all the Classes again apart from Intermediate 2 which Debbie & AG CH Pleze won. Well done to everyone so many good results at this show hope I didn't forget anyone !!!! Must say a big thank you to Kirstin Graves she did a fab job as secretary and even let me in her cave to help out and kept me supplied with the best choccy chip cookies in NZ.

Well that's all for this months report we are all looking forward to the Nationals so will have lots to say about that in next months report. Would also like to thank the people who have commented to me about how they enjoy reading my report feedback is always good so thanks.

Man of this month is the one and only .....

**Name: Ross McBeth**

Age: Old enough to know better ,  
young enough to keep trying

Club: CHB

When did you first start doing Agility:  
About 11 yrs ago.

What attracted you to Agility: Told to go and run my wife's dog and being the obedient person that I am perhaps I should have joined Obedience!!!!

What is your favourite show and why:  
CHB. or any of the shows that have

plenty of room to exercise your dogs without walking on top of other dogs.

How many dogs have you done agility with and what success have you had with them: 5 dogs. Cruzz taught me a lot gained A.D. and got a few challenges but not enough. Iceman Agch ADX one more for gold. Tukuman ADX one more challenge for Agch. The Witch ADX gold and a few more challenges to go. The Count who has just started.

What have been the high and low points in your agility career to date: The highs, getting first at my first NDTA when I didn't really know what I was doing { still don't} Making Iceman up to Agch and getting drowned in Iced water. The Lows, saying goodbye to Cruzz who taught me so much and he was such a cool dog to run.

What other hobbies/ Interests do you have. Used to Hunt {hares and hounds}. Mustering with my dogs, it always give you a great feeling bringing in a mob of stock and seeing your dogs working well as a team.

What are you likes and dislikes in Agility: The pleasure of keeping the Judges on their toes and wide awake and being able to have a laugh while still competing. Red in the evening always seem to work wonders getting everything into perspective.

Dislike the wingers and moaners who are never happy no matter what is done for them.

## **Lower North Report - by Peter de Wit**

### **Upper Hutt Club Opening**

Even the weather smiled!! It was an absolutely glorious Upper Hutt summers day when the Upper Hutt DTS held the official opening for the club rooms and grounds. It was a celebration of all the work that had gone into the club over the previous eight years by lots of people, to produce a building and grounds that the Club can be really proud of.

Mayor Wayne Guppy, was obviously impressed with all the work that had gone into the club, and said "it's great that the club has a permanent home to be proud of".

There was a fantastic crowd of competitors from around the region and many of the club's life members were there to join in the celebrations.

A highlight was watching Wayne handling Nevenka's Cassie around the jumpers course. He certainly showed us his running skills!

Our visiting Judge Wendy Taylor wrote afterwards...

"I did really enjoy my day and was VERY impressed with your club - the actual place - buildings, grounds etc - all that your members have done But also the members themselves, a really neat group of people.

It was great to see so many wearing the club T shirts and also the strong support and encouragement that you all are giving the children. Feel free to pass on my remarks to other members and congratulate them from me for what they have achieved. It was nice to be a part of the Opening."

Val MacDonald an original member of the club when it was formed in the mid 70's was on hand to cut a

The occasion was also celebrated with some champagne and finger food and all those who attended were very happy to be there.

## **NZKC National Dog Show – Feilding 2009**

For us, the Nationals started on Friday with Rally-O, which Karen judged and I was her scrimer. It was an interesting experience and I learnt a hell of a lot about rally! I have a lot of sympathy for Obedience judges now as my legs were very sore by mid afternoon from traipsing around the ring for several hours.

On Friday night we watched the “Dancing with Dogs” competition. The competitors put on a great show, Chelsea was in and out of the ring so many times I lost count but my favourite was Ike’s American Idiot routine. Ngaire was in there with a couple of dogs too and let’s not forget Feilding’s Jaz & Point who won the best junior handler award for their very cool routine. The highlight of the show was Kate Winter’s dog who obviously loves his closing trick, which is to roll himself up in a blanket. I know this because that’s all he wanted to do for the entire routine. It was such a hoot, the whole crowd was doubled up in laughter.

Then on Saturday, we spent the day watching obedience, breed shows, sussing out the stalls and talking lots. That night I judged the YKC agility event. Given that the official agility was not on until Monday, several families had to make a special trip to Feilding just for the evening and there were heaps of kids running. The surface was very hard in places and the courses had to be redesigned on the fly, all tunnels over the hard bits and jumps where it was softer! The kids ran well and put on a great display. At the end of the YKC we went home for a day to have a break and give the dogs a chance to run around freely.

Next was a fabulous agility competition on Monday and Tuesday. The indoor venue at Manfeild is fantastic; no-one could argue with that! Three rings, lots of entries, some very interesting/challenging courses. The rings were manned by clubs from all over and everyone can be proud of the effort that went in there.

There was some incredibly close competition. In Jumpers B1, 1<sup>st</sup> to 5<sup>th</sup> were separated by only 0.119 of a second and in Senior 3 it was only 0.6 of a second!

The Intercub Teams course put up by Sally Remon was superb and a lot of fun. By making it a relay with an interesting double tunnel

start/finish Sally ensured the teams event was a hit at this years National. Well done to the Mounties in taking out the top prize this year, and to the runners –up, the Hawkes Bay Gunners.

Peter de Wit & Quick, Judge Ron Frater,  
Lyn Sayers & Brian Priest

The finals were a magnificent

event. In each grade there were many clear rounds on challenging courses and the times just got faster and faster with each dog that ran. There was no cruising around these courses. Well done to Sue Conner - Starters, Polly Catlin-Maybury - Novice and Chelsea – Intermediate on your wins.

I am very, very, proud of my little Quick who just turned 3 years old in winning the senior final, As someone said afterwards, they had never seen me run so hard as I did down the home straight, and they were right!

Overall, the Nationals this year were a combination of hard work and fun. Well done to the organisers of the various events that were held, things like Rally-O, YKC, HTM and agility don't just happen, they take hard work, so to all the workers, organisers, helpers and judges, thank you.

### **Central Bark—by Linley, Cheyzany, Kliffy & Flukey**

KLIFF'S TRIP TO HAMILTON – Kliffy and I flew up to Hamilton to visit my big bro. The flight up was pretty quiet with no noises from the cargo area. We attended the WAG show on the Saturday and Sunday. Unfortunately Kliff ran extremely flat. I can only

guess that he may have irritated an old injury (or hopefully not made a new one) playing with Fluke the previous day. I became a real Northie. As I had no car, I needed somewhere to park for the day so my bro put the tent up for me. It proved to be a godsend. It started out as a bit of a dreary day and by the time my last run in Senior came, the heavens broke. The next day the weather went from extremely hot (enough to dry the tent from the previous day to more rain – yep wet tent back in the car again). I have to admit I am a tent convert and think I might have to start a new trend in the south! The WAGgers ran an extremely efficient event and I have to say how amazingly friendly everyone was. I had a few say to me, “Who the heck are you?” and when I said where I was from they all responded with a “Welcome to the Waikato”. It was great to see my fellow Southerners judging there too, Graeme and Heather. There were some jokes about, “They breed ‘em tall in the south, err what happened to you, Linley?” All judges put on some really good challenges for the courses, enough to keep you thinking but definitely do-able

The flight home was not so uneventful. On the trip from Hamilton to Wellington I could hear some woofing from the cargo area of the plane. Kliff very rarely makes any noise so he must have been a bit upset. At Wellington I had a 3 hour wait for the next flight to Nelson. After I had grabbed some lunch I went in search of the Kliffman. They popped Kliffy out of the baggage area for me and we went for a walk to a park. The looks from people as I trotted in and out of the airport with Kliff next to me were quite humorous. Kliffy’s manners were great. On our return from the park he got to meet two of the drugs dogs – a Spaniel and a Shepherd. The Spaniel was not too impressed with him and did a bit of swearing. I wish I had got a pic with them now. The drug dog handlers were quite friendly and helped load Kliff back into the Cargo area of the airport for me. A bit more woofing on the flight from Welly to Nelson and we were finally home.

### 3<sup>rd</sup> & 4<sup>th</sup> October – Nelson and Blenheim Ribbon Trials

Susan Tansey came up to judge for us. I can’t remember when she was here last – it seems like ages. Once again, some nice chal-

lenges and the Senior levels flowed really well. Probably the highlights were the YKC run on the Starters 2 course. Wee Megan T with her borrowed dog (Taya the bullet) was very cute. Her little legs did not stand a chance at keeping up but she had a wee smile at the end anyways. Logan H managed to get Taya the bullet round in one of the older age groups, which he was extremely pleased about - getting his first ribbon.

Our smallest measured dog Annie won Starters 1 and came in 2<sup>nd</sup> on Starters 2. I know Sarah C was pleased! What a wee legend! Lucy Pritchard and Molly have also moved up the ranks with their last Starters win for Ribbon Trials done and dusted. These guys have only just started competing this year! The next day Blenheim had a small invasion from the south as people travelled through to go to the Nationals and catch the ferry. Good luck to everyone! Running indoors at Manfield is so much fun!

### **Canterbury Tails—by Sue McKee & Teeza, Rez and Switch**

#### Waimak Champ event

Wow, what a weekend. First time in the South Island that a champ event has had over 100 in any class, with 104 in the novice classes all weekend. Now this may be very normal for those of you “up north” but for us in the less populated island it’s pretty amazing. With the large numbers showing up for ribbon trials in starters and novice these days, it’s got to be a good sign that our sport is growing. Two rings were set up and ran all weekend at the Waimak event, so good practice for us South Islanders getting ready for the NDTA. Nice to see some northern judges, with Beth Oliver and Campbell List showing their faces down here, and Susan Tansey judging one or two as well. And what wonderful weather, superb the whole weekend while I believe those at WAG were enduring heavy rain, at least on the Saturday. Even co-writer of this report Linley ventured up to the North Island for this event. There were quite a few sunburnt faces around by the end of the weekend, and the cool coats came out for the dogs, with some showing quite visible signs of being hot and tired, especially on Saturday. All over and done with nice and early on Sunday to enable those travelling to get away home.

### Mid-Canterbury Canine Obedience Club ribbon trial

Another great event with lots for everyone - Jumpers, the normal courses plus Elementary. Another opportunity for handlers to get used to two rings running at once, and yet again the weather was awesome - hmmm, hope this trend continues until well after the NDTA. They're talking drought in Canterbury already but can't guarantee that the same goes for Otago.

### Selwyn Ribbon Trial

Fewer people at this one, due to a champ event being held in Otago the same weekend, but those of us who didn't travel made the trip out to Rolleston. The weather had been yucky on Friday, so it was a relief to wake up to sunshine. Although the sun did keep disappearing and threatening us with rain, it held off. I had only taken my young one to this, and he was so excited at going on his own to an event. He may have felt a bit miffed about spending several hours in the car as I went on a shopping expedition after that which lasted some hours, but he spent the rest of the day peacefully asleep in the back of the car in a car parking building to make sure he didn't get too hot. Didn't seem to put him off wanting to get back in the car again next time! Somehow I don't think he will be ready for the NDTA, but with entries needing to be in so long beforehand I think I may have made a donation. Hmm, will wait and see but time is running out for getting any good runs under my belt with him. Makes you appreciate the older dogs, that's for sure!

That's it for me this month, folks, so hope to catch up with some from the other island at the NDTA. I seem to remember that there was talk on the list ages ago that there may be snow in October in the South Island for NDTA. As I write this it's snowing in the middle of the North Island, so the weather gods must have got their islands mixed up. With any luck that will be it for winter, and we will get some "normal" weather. I guess with all the gorgeous weather we had earlier in August and most of September down here we had to have a reminder that winter wanted the last word, and it is certainly darn cold at the moment, but no snow!!! You North Is-

landers can keep it! I'm keeping fingers crossed for some decent weather for the NDTA!

# New Zealand Association of Rally Obedience

## What is Rally-O?

Rally-O is a sport which contains elements of obedience, agility and dancing with dogs. The course is numbered and timed and there might be cones and tunnels and jumps. There are turns and sits and downs and recalls. There are 270s, 360s, serpentine and spirals, fast speed and slow speed. It is suitable for the first time dog owner, the obedience and agility competitor and the agility dog under 18 months as well as retired dogs that still want to work. It provides various levels, with increasing skill requirements.

## What is NZARO?

NZARO is a recently-formed incorporated society whose aim is to promote Rally-O throughout out New Zealand. NZARO holds official events where dogs can earn qualifying certificates (much like agility crcs) and milestone awards as well as Titles for the more accomplished.

## The competition

1. Each month a course will be provided. Participants will be judged and timed. Participants will be ranked based on score, then time.
2. There will be an individual and a Club competition. The Club competition will be based on the total score of the Club's best three dogs and handlers.

At the end of the year there will be awards for prize-getters.

## How you can take part

You can take part by either joining NALA or joining NZARO. To receive the complete NALA magazine including the Rally-O supplement you must be a full member of NALA. To receive the Rally-O supplement only you need to be a member of NZARO.

## Rules and judging

Any club member can judge. Anyone judging must make themselves familiar with the *NZARO Handbook*, a copy of which will be sent to all clubs, and will also be available on our website [www.nzaro.webs.com](http://www.nzaro.webs.com).

All participants are scored by their marks over the time taken. Dogs are expected to move with the handler around the course and to follow the handler's commands to sit, lie down etc. Penalties are gained if the dog deviates from the handler's side, sits to one side if supposed to be in front, fails to lie down on the first command, etc.

## **JUDGES CORNER** by Nick Chester

### **Intermediate Course—judged by Cam List**

TAUPO Ribbon Trial at the end of August this year was a busy one alright with 2 full days of competing and some absolutely amazing runs including a stunner by me in the Senior and Jumpers B.....to take out first place. Oh well that's enough about me let's get back on to the course I designed and judged on the Sunday. I think the rain hadn't quite set in before it was run but I remember it being a wet afternoon. When designing an Intermediate course I like to have lots of flow where the dogs and handlers can stretch their legs without getting into too much trouble, but still having 1 or 2 areas that could need a little attention. My courses are generally open but with enough in it to keep the handlers actually handling their pals. Most handlers put a lead out in either to the far side of the seesaw or to the near side of the seesaw just to assist with the dog's entry on. The occasional person with no lead out had a bit of work to do when they got to the seesaw.

I made sure I had the seesaw in this one as it doesn't come too often and it is a good piece of equipment for control. (Especially with a nice big tunnel as the next obstacle.) Most handlers also took their dogs the marked path from #4 back to #5 as this was the side they were on. 6 to 1 half a dozen really!!

Dogs were then really gathering momentum from #5 to the dog walk #9 and some handlers were left behind at this point so had to work the contact from some distance away. I had the jumps in a straight line but they were all skew whiff for an extra challenge. Some dogs when on the dog walk thought they were back on the seesaw again though....

Originally #10 was pushed further up to make the weave entry quite hard with a sort of pull through entry, but on close inspection I decided to bring it in. There were still a few dogs that flew off the dog walk over the jump and had some trouble getting back in time for the weave entry.

#12 through to #15 were simple enough and not too many dogs did the AFrame instead of the collapsible and most dogs did jump #16

ok although most or the knocked rails were on this jump. Usually because of handler placement , the disorientation of the dogs coming out the collapsible or the dog turning back too soon.

There were some different styles from the AFrame to home. Those that did the AFrame from the left side were usually left behind. The move I liked best was the handlers running down on the right between the tunnels and mostly driving to #18 from a distance away then they stopped and called the dog back over 19 and then home to #20. This worked really well as the dogs didn't even take a glance at the tunnel as the handlers were nowhere near there. Some tried sprinting to the tunnel and front crossing and for the slower dogs and the fast sprinters this was ok but if not then all it did was push the dog into the tunnel even more.

In intermediate if a trap is set in a course of mine then it is clear as day...and for such an obvious one so many dogs were in that tunnel before I could have said supercalifragilisticexpialidocious!!!

All and all it was a neat course to judge and to see some of the top handlers fly through it with no problems and really fast times was incredible and I enjoy seeing good dogs and good handlers succeeding well in my courses. Well done to Claire Wellington and Deb Jackson for some very quick clear times.

Thanks Taupo for a great weekend with lots of laughs (Mr McBeth) and a couple of wins for me!!

## Flygility.. by Allan Rohde

The NDTA is almost upon us now and flygility has once again been included in the programme. This year there is a slight difference in that teams of three have been selected from each historic zone to compete for the Ian Gray Trophy. This event will be run as a double elimination event which will give each team a second life. This should prove to be a very exciting competition.

The teams representing the various areas are:

Area 1 = Ngaire O'Rourke & Risky; Julie McConkey & Kodi; Fiona Ferrar & Sharky

Area 2 = Chelsea Marriner & Flash; Alix Marriner & Quest; Amanda McKennie & Zip

Area 3 = Louise Williams & Bee; Dianne Reid & India; Rebecca Sidwell & Seeka

Area 4 = Sue McKee & Teezsa; Lisa Duff & Zoom; Anne Godfrey & Tui

Area 5 = Rae Evans & Lulu; Jenna McCabe & Beau; Marie McDonald & Skye  
Good luck to all

### Next Challenge Course – December/January

The monthly courses can be downloaded from the files section of the NALA group. These can be accessed from the following web address:

<http://groups.yahoo.com/group/NZAagility/files/Flygility/Monthly%20Courses/>

These have been uploaded as PDF documents and you should contact me if you require the courses in a different format.

On Paws Agility Equipment is owned and operated by Jason Hughes and Mel Mankelow. We both compete with our four dogs Bailey, Jack, Indi and Breeze in Agility and can be often found somewhere around the North Island most weekends competing.

We now sell a wide range of Agility and Dog Training gear so please feel free to visit our website to see our entire product range or contact us by phone or email for any further information you require.
